

Good evening Bulldog Families,

As many of you are aware we have had many students and some teachers required to quarantine in the last few days at SJHS. Today was spent by faculty and staff deep cleaning our entire facility. Hopefully you have already received the news that SJHS will be all virtual for the next two weeks. The plan will be for students to return to regular instruction Monday, November 30.

During this two week period students are expected to log-in no later than 8:00 for 1st period. Then they will need to attend each class through Zoom meetings. A modified bell schedule will be used and is posted below. Attendance will be taken in each class and will count. Teachers will provide instruction and students will be working and learning in class. We want to keep the good learning that was happening moving forward for the next two weeks. School will happen, it will just be from home.
