ATTN: Mr. Greg Thomason, Asbestos Designee

SUBJECT: Asbestos Six Month Periodic Inspection

Dear Mr. Thomason:

RainCrow Environmental has completed your school systems 6-month asbestos periodic inspection as provided in the asbestos coordinator services agreement. A report has been generated and sent to your office. I would also like to remind you of your annual notification letter as well. You may paste the notification letter on your school web site which is acceptable as a means of notifying staff, students and parents.

Upon receiving this report, please review and file in your asbestos management plan file section. As your asbestos coordinator, the following services will be provided:

- Management Planning
- Periodic inspection each six months
- Provide annual notification letter
- Consultation on building modification
- Coordination of any abatement activities
- Coordinate training for custodial and maintenance staff
- Handling any questions by the EPA concerning facilities

If you have any questions please give me a call. My e-mail address is raincrowenv@gmail.com.

Sincerely,

Stan Eller
President
